NCTE POETRY & VERSE NOVELS

The National Council of Teachers of English (NCTE) launched its Award for Excellence in Poetry for Children in 1977 to honor living American poets for their work for kids ages 3-13. The study of poetry can be a powerful teaching tool, improving literacy and vocabulary while allowing students to access emotions and an esthetic exploration of the world. Our collection includes NCTE award-winners, as well as other poetry titles recognized for their quality by the NCTE.
